## TRUSTEE CIRCLE

### AN EXCLUSIVE MARKETING AND BUSINESS ADVANTAGE PROGRAM

The Trustee Circle is a tremendous way to showcase your business to the community. It provides a wide-variety of marketing and advertising opportunities to increase visibility within the Chamber organization and throughout the region.

As importantly, Trustee Circle members demonstrate a heightened level of dedication to the Chamber. In recognition of this support, all Trustees are acknowledged at each Chamber event, on the front page of the Chamber Connection newsletter and the Chamber website. They also are treated to "white glove" VIP services including exclusive invitations to a number of special events and activities during the year.

As a respected business in our community, we encourage you to seize this marketing opportunity to be an esteemed Trustee member. By working together, we're building a stronger and more desirable Largo/Mid-Pinellas business region!
